

Clover Park Community House

COVID HEALTH AND SAFETY

Safe return to the Clover Park Community House and your peace of mind is paramount to us. Therefore some safety procedures upon your return is important to ensuring that you all can get back to normal activities whilst keep you safe.

1. **OPENING UP FOR YOUR GROUP**

Please ensure 1 person (max 2) are opening up for your group. Normal opening procedures apply. However, for your designated groups and areas we ask that your groups use certain doors for entry and exit. This limits people walking throughout the building and that you please stick to your designated area. Please see below for entrances for your group please.

Tutakina Users - please ensure your group uses this entrance and exit (by the carpark (wheelchair access remains the same - main door is fine or those with mobility issues use ramp and main entrance)

PHOENIX USERS - please ensure your group uses this entrance and exit - MAIN ENTRANCE. This is also for our mobility and wheelchair access.

Clover Park Community House

ISRAEL USERS - please ensure your group uses this entrance and exit (by the deck) If you are the only one onsite you can use the back door entrance.

ELSMORE USERS - please ensure your group uses the back door entrance - or the above Israel entrance by the deck if you are the only one at back.

2. SIGN IN

QR codes will be available around the venue for your group to sign into, as well as manual sign in sheets.

3. CLEANLINESS

Each room will have its set of sanitizer, wipes, spray and towels. Please wipe down after your groups use - vaccuum available in our cleaning cupboard - lock box key opens this cupboard. Also as usual please remove your rubbish when you leave (for small bins provided these can be emptied in our red bin located outside by the shed.

We hope that before long we can return to normal, but for now these processes must be adhered to. Stick to your time frames and we will ensure no more than 2 groups will be in at a time if needed.
